DIARY NO. 4424

From

K. MATTHAN, Esq., B. A.,
Director of Civil Supplies in Mysore.

To

C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Government of Mysore.

Sir,

I have the honour to submit herewith for the information of Government a copy of the notes of inspection of the Taluk Grain Depot at Sira made by the District Economic Superintendent, Tumkur, together with a copy of memo No. 4265-67 of the 27th ultimo of the Deputy Commissioner, forwarding the same. As the sales in this depot are only 18 pallas during a period of 2 months, the proposal to abolish the depot may be sanctioned. It is not worth while keeping up the depot incurring an expenditure of Rs 28-8-0 per month especially as it is reported that there are fairly ample supplies of rice coming into the weekly santes. To avoid the cost of bringing the rice back from Sira to Tumkur, sanction may also be accorded to sell the remaining quantity of rice at 5 seers a rupee. This will dispose of the stock quickly and the depot may be closed without delay.

I have the honour to be,
Sir,
Your most obedient servant,

Food Controller & Director
of Civil Supplies in Mysore.

NOTES OF INSPECTION OF THE TALUK GRAIN DEPOT AT SIRA BY THE DISTRICT ECONOMIC SUPERINTENDENT ON THE 21st August 1919.

1. Depot epened on 24/6/1919.

2. Establishment etc., consists of Mutsaddi on Rs15/-,a peon on Rs8/-, house rent Rs3-8-0, contingencies 2-0-0, =Rs28-8-0 a month.

Grain compensation has been drawn for this temporary establishment. The mistake was pointed out and the amount has been required to be shortdrawn in the next bill.

		P	seers.	Date
3. Stock:-	Received	52	57	on 24-6-1919
	Sold	18	25 7/8	till 21-8-1919
	Balance	51 bags.		

Amount remitted to Food Controller Rs402-4-0 of which 11-8-0 is the price of 23 bags and the rest of rice.

Except 11-8-0 all the realised amount has been sent to the Food Controller.

4. Registers maintained.

1. Stock Register.
2. Day Book.
3. Cash Book.
4. Daily Returns.
5. Contingent Register.
6. Register of Gunny Bags.
7. Ledger.

some have been evidently newly opened after the issue of a reminder circular. The Ledger was got opened as its maintenance had not at all been understood. In the contingent register had been included items of T.A. and the pay of the Depot Staff. The irregularity was pointed out for rectification.

Out of the first consignment of 52 and odd pallas 51 bags yet

yet remain to be sold. The local rice is being sold at 4¼ to 4½ seers and it is learnt that nearly a hundred cartload of rice are being r every week in the Shandy. I do not think that small stock of Burm rice in the Depot affects the prices of the local varieties in the least and my enquiries lead to the same conclusion. I am of opinion, therefore, that the Depot at Sira may be closed altogether, as it would be very easy to supply Burma rice from the District Depot if such an emergency were to arise of which there is not the least likelihood at present. We may get back the existing stock to Tumkur as it is not desirable to keep it on till it is sold off. According to the present rate of 30 seers per day it will take another 3½ months for the sale of the balance of rice in the Depot.

Sd/- Sitharamaiya,

District Economic Superintendent,
Tumkur District.

Submitted to Food Controller through the Deputy Commissioner.

No.4265-67

As getting back would add to the cost of rice, I would propos that what remains may be ordered to be sold at 5 seers a rupee. Ther will be a sufficient inducement to the poor to purchase from the Depot and is likely to tend to the lowering of price of the local rice to so extent.

Sd/- S. Sitharamaiya,

for Deputy Commissioner,
Tumkur District.
